SÉRGIO CURY SERGIO CURY

SÉRGIO CURY SÉRGIO CURY

This image shows an intraoral view of a patient's upper and lower dental arches. The upper teeth are fitted with metal orthodontic brackets and a wire. Several upper teeth have large metal crowns. The lower teeth are fitted with clear plastic aligners. The text 'SÉRGIO CURY SÉRGIO CURY' is overlaid in the center of the image.

A close-up photograph of a patient's upper teeth with metal braces. A rubber band is stretched between the first premolars on both sides. The braces consist of metal brackets and archwires. The patient's lips are slightly parted, and the surrounding gum tissue is visible.
